ABC Preparing to Reopen in August

This morning we received the good news that Malawi is reopening all schools in mid-July, which means our students will be back on campus in August, and we are making tentative plans to do the same in Uganda and Liberia. We praise God for this news and for His protection of our staff and students during this COVID time.

We are also grateful that ABC can be a light on hill right now. For over 40 years ABC has been educating and empowering Africa's finest Christian leaders in a unique, international environment that includes faculty and volunteers from every corner of the world, including Brazil, Japan, Australia, Canada, the UK, South Korea, America and a half-dozen African countries. **This truly special combination creates a wonderful, intercultural learning environment for our students.** It gives them an exceptional understanding of the world and prepares them like no other university in Africa for the global community we live and serve in today.

At African Bible Colleges, we also thank God that we can depend on the generosity of friends and partners like you, whenever we put out a call for assistance. Back in March we reached out for donations to help sustain our colleges when we had to send over 700 students home. We asked you to help us raise \$400,000 by the end of June, so we could provide medical support at our hospital in Lilongwe, assist our students as we transitioned to distance learning, pay our faculty and maintain our campuses during the global shutdown.

You have responded so generously, we are now only \$10,000 away from reaching our goal! In these last few days of June, I wanted to make a final request for support so that we can reach our goal before June 30th.

If you will, kindly go to www.africanbiblecolleges.com/donate today and make a donation to help sustain our work until the students are back on campus in August. When you give, using the drop-down menu, you can designate your gift for COVID-19 Needs or ABC - Where Needed Most. You can also designate your gift for a particular campus or for a particular purpose, such as "Laptops for ABC Students" or "ABC Radio & TV." **Our students, faculty, and staff continue to count on your generosity and belief in our mission!**

I want to thank you for all your prayers and inquiries about staff and students, as well as for your generous donations during these challenging times. As we look forward to next year I remain certain of God's lovingkindness for everyone involved in ABC. **Like the prophet Jeremiah, we**

are confident in God's grace and satisfied that He knows the plans He has for us, plans for our well-being and not destruction.

Blessings,

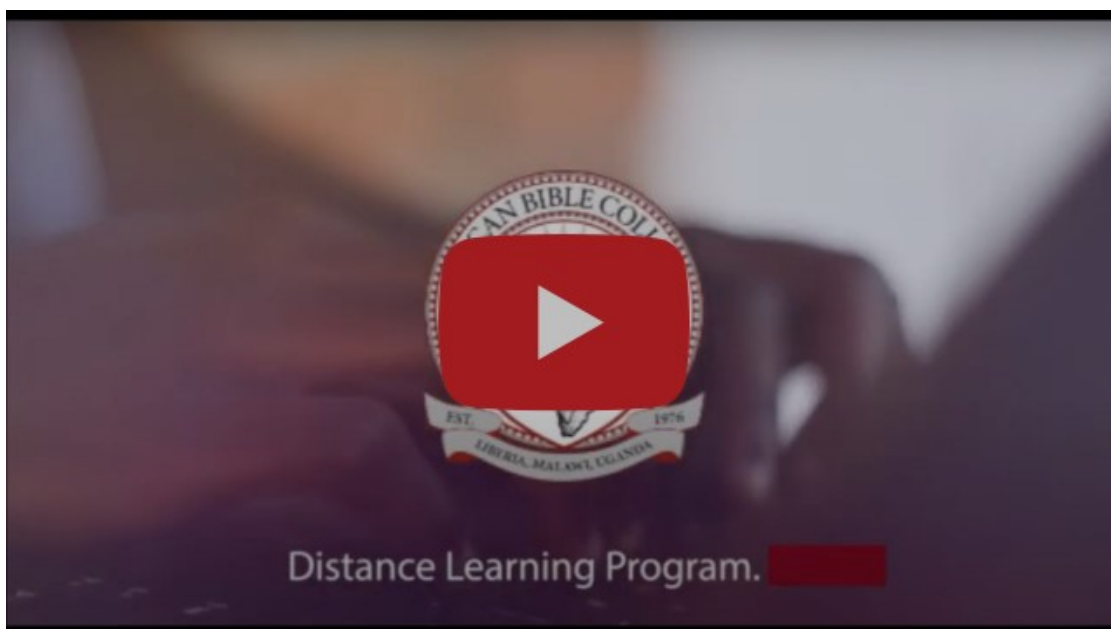

Paul D Chinchon, ThD

President & CEO, African Bible Colleges

GIVE NOW TO HELP US REACH THE FINISH LINE

Please consider a donation today that will help ABC put a laptop in the hands of one of our approximately 700 total students in Liberia, Malawi, and Uganda. Please be assured that your gift will change their lives in so many ways.
