

July Prayer List CTC

Thank God for who He is, and the wonderful plans He has for us.

Continue to pray for people who are suffering because of the Covid virus. The areas most affected, where CTC has a presence, are the countries of Uganda, Kenya, Liberia, and India. Most of Africa and India suffer from a lack of food and very high prices.

Thank God for furnishing us with money to feed some hungry people. We are sending money to our CTC teams and the people they work with so that their work of spreading Bible teaching continues.

Thank God that most of our coordinators were able to travel and open new classes in June. Following are some prayer request and praises from their reports:

Angola is a country overrun with weird cults. Our coordinator spent time with the leader of a cult called "The Prophetic Synagogue of the Saints". The leader decided to follow Jesus, and our coordinator found a qualified teacher to teach the CTC subjects to the people. The weird teaching of the cult was to attempt to beat demons out of the people especially children. Praise God for the Angola coordinator opening 8 classes with 191 students in June.

One of our **DR Congo** coordinators reported how a leader of one of the rebel groups fighting in the area promised to protect our classes.

The violent persecution continues in **Nigeria**.

All of our teams returned safely to their families. They also were well received and opened many classes.

Pray for a missionary friend in Uganda named Johnny who suffered a heart attack. He is doing well. The missionary's daughter who was in Uganda got trapped by the Covid-caused closing of the country and she gave birth to a healthy boy. The mother is doing well also.

One of our sons sent me a Father's Day greeting in which he announced to me that he is a born again Christian. We are so thankful for this. Pray for us as we plan to drive 800 miles to visit him later this week.

Pray that CTC soon finds a **new leader to replace Bob**. He is no longer able to keep up with the work of leading CTC. We are asking God to keep CTC active and healthy now and after Bob leaves this life.

Thank you for your prayers
