### **Transition from Thailand to the US and to the world.**

We hope that your summer is going as well as it can be during such a turbulent time. We are continuing our transition from Thailand to work with all of our international locations. For the rest of 2020 we will be learning what the staff teams and the national staff need to be more fruitful in all of the CO international locations.

You have heard from us about Thailand for the last 23 years. Campus Outreach is also in these cities around the world: South Africa (Johannesburg & Pretoria), Zambia (Lusaka), Brazil (Belo Horizonte), England (Birmingham, Manchester, London), Australia (Brisbane), New Zealand (Dunedin & Christchurch), Philippines (Manilla), Thailand (Chiang Mai, Udonthani, Khon Kaen).

We look forward to updating you in the months ahead of how God is leading us in this area. We will also be spending time in expanding our team of prayer and financial partners during 2020 as well. Please pray for us during this time of transition.

August will be a big month for our family and here are some specifics to pray for:

7th - hopefully closing on a house in Winston-Salem, NC that will be a good base for all the online schooling and remote work that will be happening in the years to come.

17th - John (11th grade) & Becca (9th grade) will start online school at a local public school, R.J. Reynolds High School, with the first 9 weeks being online entirely.

17th? - Robert back at Georgetown for his junior year and Ellie back to Emory for her sophomore year with still uncertainty for both about housing and online learning percentages.

God has provided so much of our transition needs, especially furniture, through family and friends. We have been humbled at the generosity of so many to give us beds, dressers, desks, tables, chairs, and on and on. Again we look forward to telling you more in future updates of all of God's provision during this time. He is a generous God!

We would love to be able to connect with you in better ways than just these one sided emails we send out. Here is our contact information for Robin and myself. Please text us or send an email to us and let us know how we can connect with you!
